**Announcing  
[Region Name] Local Leadership Summit**

**Please join local government leaders to discuss California’s broken state governance system and innovative ideas for repairing the state-local relationship!**

**[Date]**

**[Time]**

**[Location]**

This event is designed to bring together city, county and school leaders to look at the local impacts of the state’s fiscal crisis, including the challenge of providing critical services to our communities without adequate funding, direction, or support. Participants will work to identify solutions to rebuild California’s governance and fiscal system – from the ground up!

**To participate, please contact
